

Course: 16188 - Course Expires on October 13, 2029

CONSTRUCTION STANDARDS & ENERGY CONSERVATION

COURSE IS VALID FOR THESE CREDENTIALS

Credential Description	Cred Code	Credit Hours
Dwelling Contractor Qualifier	DCQ	12
UDC Construction Inspector	UCI	12

This course (12 hours of continuing education) is designed to familiarize Contractors and Inspectors with information on the updated construction codes required for building a home, according to the Uniform Dwelling Code (UDC).

Topics covered under SPS 321 (Construction Standards) include Design Criteria, Excavations, Footings, Foundations, Floors, Walls, Roof and Ceilings, Fireplace Requirements, Construction in Floodplains and Installation of Manufactured Homes.

360 questions related to the Reference Materials are used to test the attendee on their comprehension of the materials. A 70% score will need to be attained in order to pass this course.
